\$ 649,500

Never before on market, this beautiful property has been home to four generations. Walking distance to Beaver Lake and two minutes to I-26. Completely redecorated: paint, refinished floors, beautiful, updated kitchen with Viking stove, second oven. Basement is ready for ping-pong or pool. Every room is light-filled; each window with a different view of surrounding mountains. Large breakfast room overlooks distant mountains and leads to totally private terrace. Located at end of dead-end street, there is no drive-by traffic, ensuring privacy and safety. The enviable location feels like the best of country living in the best possible location near beautiful Beaver Lake and the surrounding lovely neighborhood.
